

Miracle League Buddies

Safety First - Encourage - Have Fun

- **Protect your Miracle League Player at all times.**
- **Buddies must be ready at all times to step in front of your Miracle League Player for protection if needed.**
- **Assist your Miracle League Player according to their needs when batting, fielding, or running the bases.**
- **Always allow your Miracle League Player as much freedom as possible to play his/her game.**
- **Encourage players to spread out, rather than crowd around pitcher's mound.**
- **Encourage players to take turns catching and fielding the ball.**
- **Encourage players to toss the ball around to other players.**
- **Be responsible for your assigned Miracle League Player during entire game. DO NOT allow your player to roam around or leave the field without you.**
- **If your Miracle League Player needs to use the restroom, let a Coach or Team Mom/Dad know. DO NOT take player to restroom.**
- **Be of good spirit with enthusiasm, love, and care in motivating the players.**
- **If you do not get a chance to buddy in first game, please stay for other games. Cheering on our players is as important as being a buddy!**
- **If you have a question or concern, or need help with your Miracle League Player during a game, please ask a Coach or Team Mom/Dad to assist you.**

THANK YOU!
