Miracle League of Whitfield County  
1519 Mount Vernon Road  
Rocky Face, GA 30740

Miracle League is a fully handicapped accessible baseball league for children and adults with mental or physical challenges. Our custom designed Miracle Field is made of a cushioned, synthetic surface that accommodates wheelchairs and walkers, while helping to prevent injuries.

In a Miracle League game, each player is assigned a buddy to assist them in hitting the ball, running the bases, and protecting them in the field. In the Miracle League, every player gets a hit, every player scores a run, and both teams always win!

During our spring and fall seasons, games begin at 9:00 am each Saturday and 6:00 pm each Thursday. Buddies and volunteers should arrive 15 minutes before game time. Individuals are welcome to any gameday. If you have 12 or more buddies in your group, please schedule a gameday with Millie.

Thank you for your support of the Miracle League!
